Mart of power

"When the fight begins within himself a man's worth something."

"Life's but a walking shadow, a poor player that struts and frets his hour upon the stage, and then is heard no more."

Fount of will

"To have friends is to be a friend."

"The more intelligence one has the more one finds originality in others."

"To be of use in the world is the only way to be happy."

Form and mold of every star

"True happiness consists not in the multitude of friends but in the worth and choice."

"Through understanding and friendliness come the riches of the world."

Source and bound of good and evil

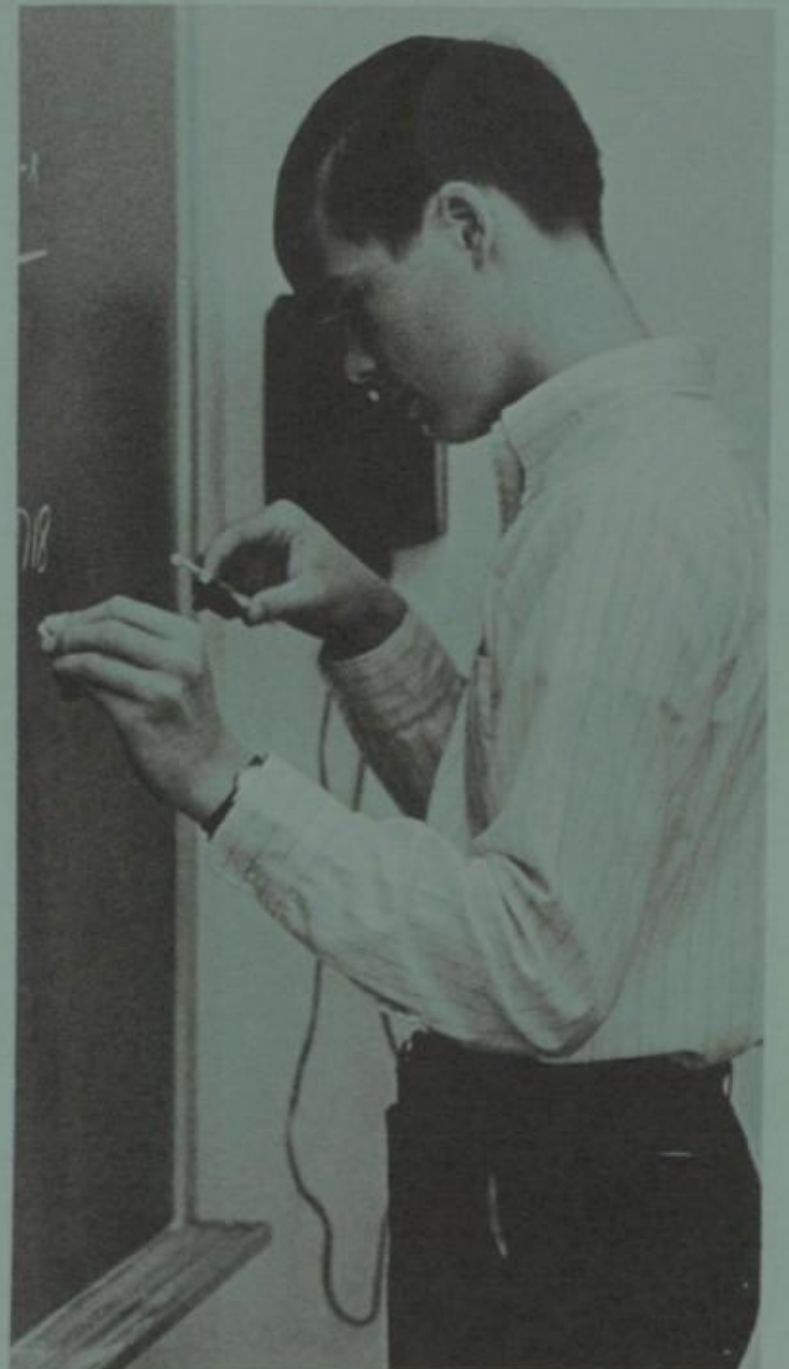

"Without music, life would be a mistake."

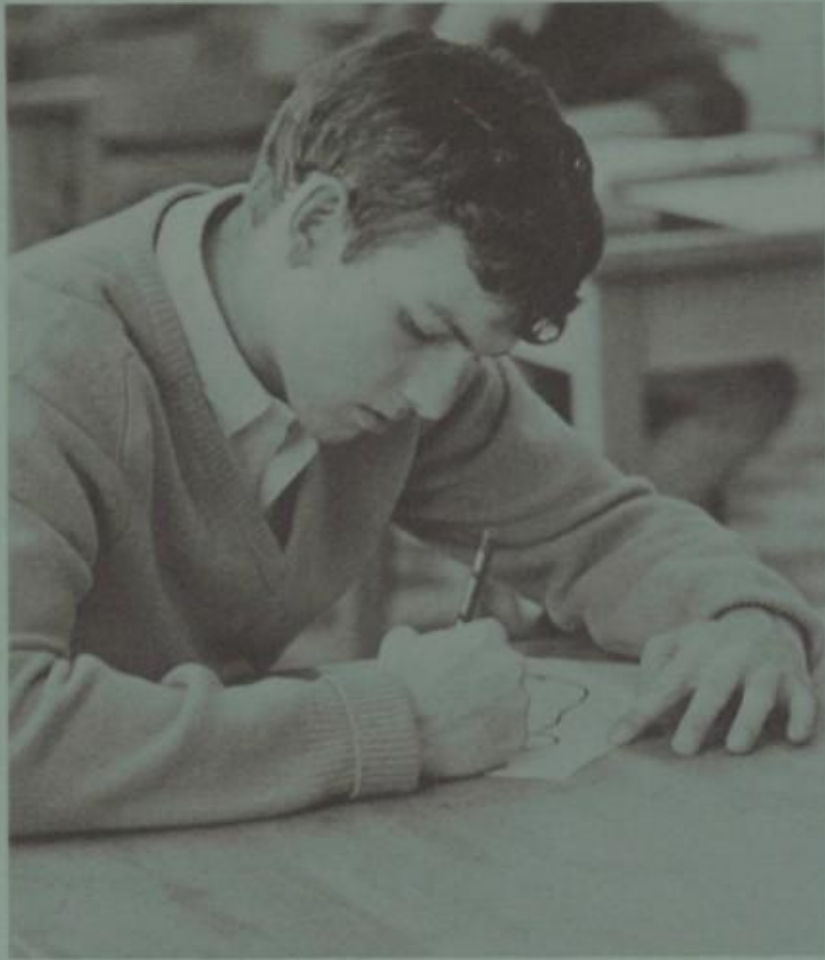

The key of all things that are

"To be what we are and to become what we are and to become what we are capable of becoming is the only end of life."

Imagination new and strange

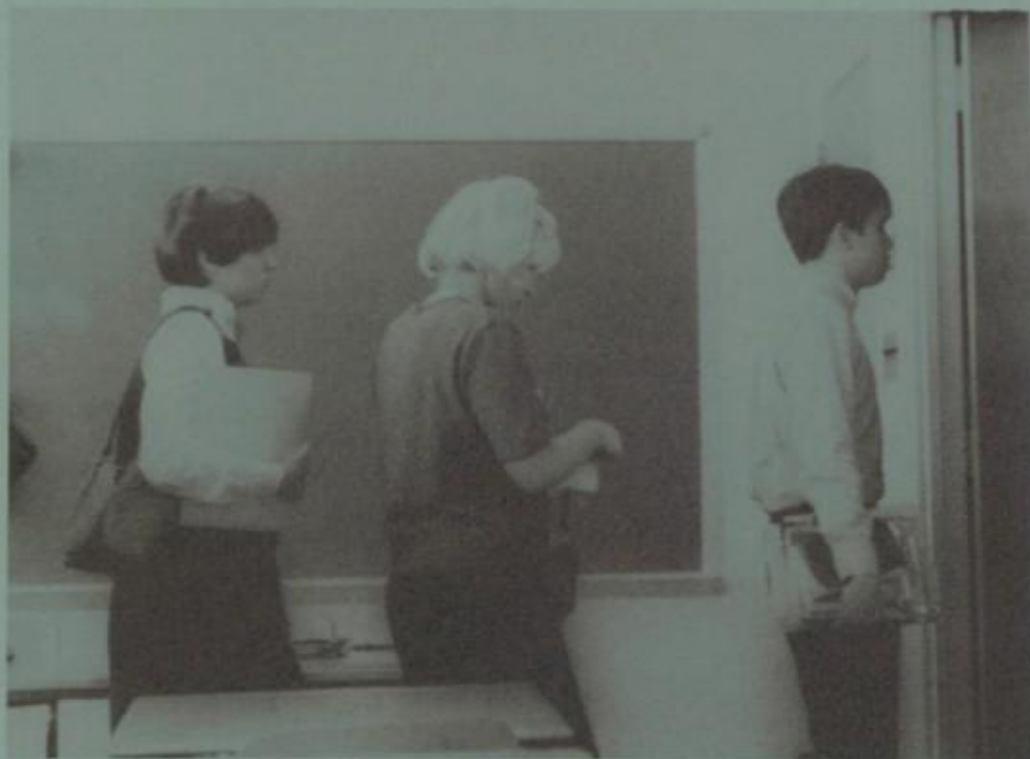

In every age,

"Keep your face to the sunshine and you cannot see the shadow."

Can turn the year

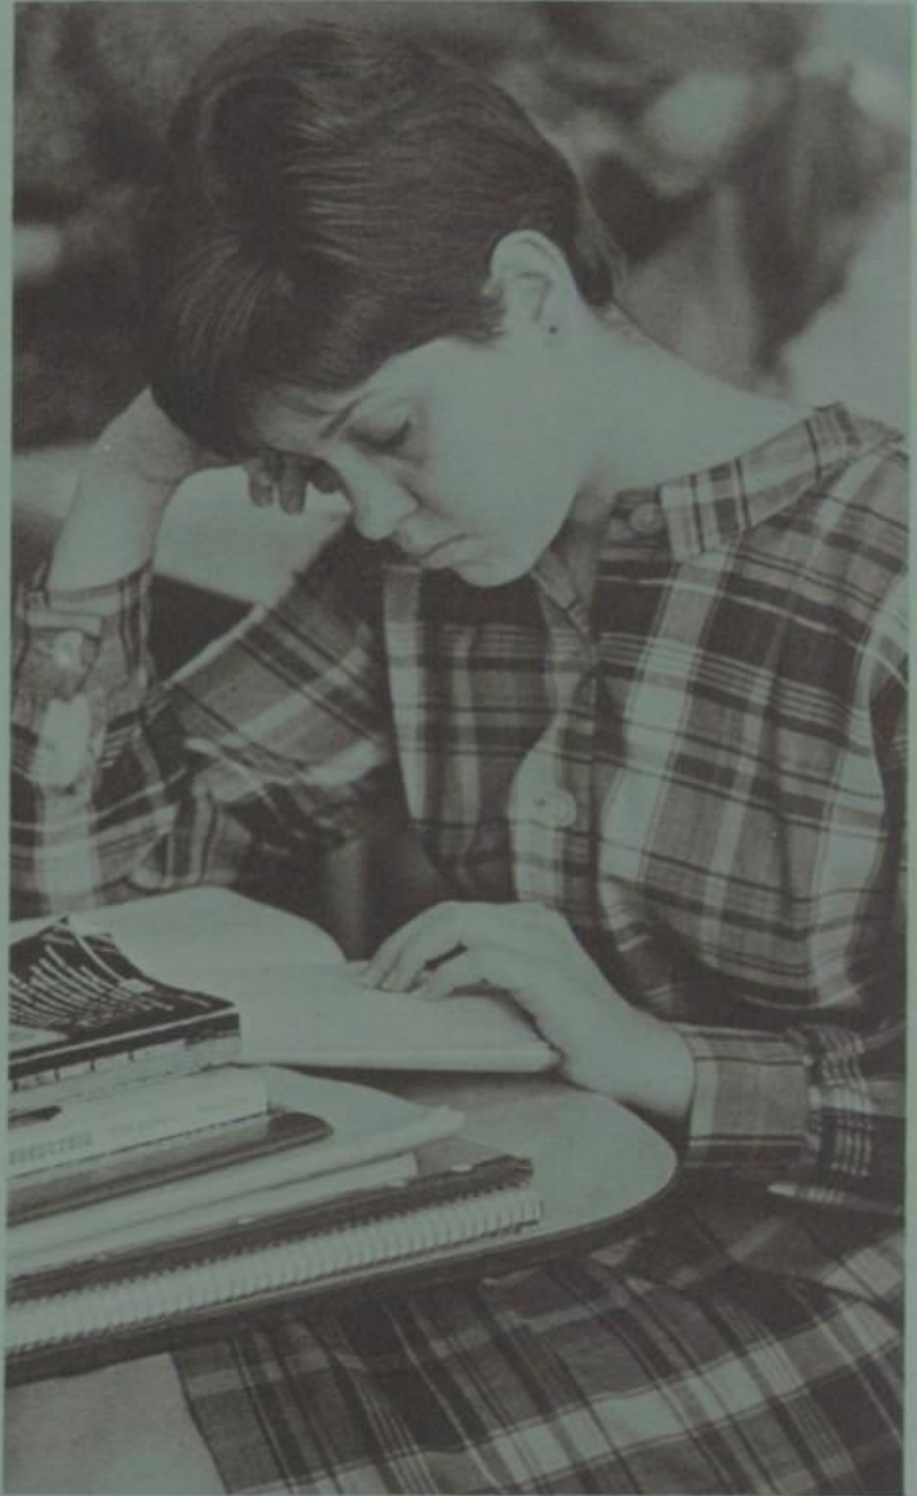

"To be free, to be able to stand up and leave everything behind."

Can shift the poles and

Lightly change

TO THE CLASS OF 1968

The jet pilot must have some experience when he breaks through the sonic barrier. Just as the pilot does, so everyone must pass through a critical period as he moves from one environment to another, from a lower position to a higher one, or to new responsibilities.

Graduation from high school means that you have acquired a foundation of knowledge along with certain skills and understandings. Now you must make the choice as to how you will approach life: Will you be a giver or a taker? Will you learn to serve yourself? Your answers are important to your own future happiness and to the strength and progress of the world about you.

It is my sincere wish that each graduate of the Class of 1968 will find his or her own personal happiness through helping to build a better community, nation, and world.

Despite hard work, the '67-'68 soccer team could not coordinate its efforts toward a winning season. Coached by Mr. Michael Miller, the squad ended the season with a record of 2 wins, 6 losses, and 2 ties. Three of the players were selected for positions on all-star teams. Goalie Dane Diefenderfer was selected by the coaches, with John Reigelman receiving an honorable mention. The officials of the league selected Diefenderfer and Schaeffer to their all-star team.

CROSS COUNTRY

Mr. Abbott

Joseph Gillen

The Cross Country team, under the supervision of Mr. James Abbott, had a tough season this year. Sophomore Bruce Wehrle and co-captains Joe Gillen and Bruce Buratti paced the team in its eleven meets, five of which the Spartan runners won. In District 11 competition the Spartans were led to a second place finish by top runner Gillen.

FIELD HOCKEY

The 1967 girl's hockey team proved to be the best ever to represent Solehi. The backbone of the squad consisted of three seniors: captain M. Myers, highest scorer M. Bendas, and halfback C. Peterson. Despite the inexperience of many of the players, their drive and the coaching of Miss Sheffy brought the team to a final record of 7 wins, 2 losses, and a tie for second place in the league.

After a slow start, the Spartans gained momentum and captured the Southern Division title, first half. In his senior year, Captain Tom Roth became the first Spartan ever to achieve 1000 points, also amassing a 32.2 game average.

The Spartans lost one game in the second half to Salisbury necessitating a playoff for the Southern Division championship with the Falcons. This game was played Wednesday, February 21, and Solehi was defeated. Tom Roth was the leading scorer in both divisions, and for the second consecutive year was a unanimous choice for the Southern Division all-stars.

WRESTLING

Under new coach William Bachardy, the '68 Wrestling Team trained hard but had an unsuccessful year.

Despite good records by seniors Dane Diefenderfer, Frank Pfneisel, Phil Boyer, and juniors Thomas Schaeffer, and David Gubitosi, the team could not achieve a winning season.

Seniors

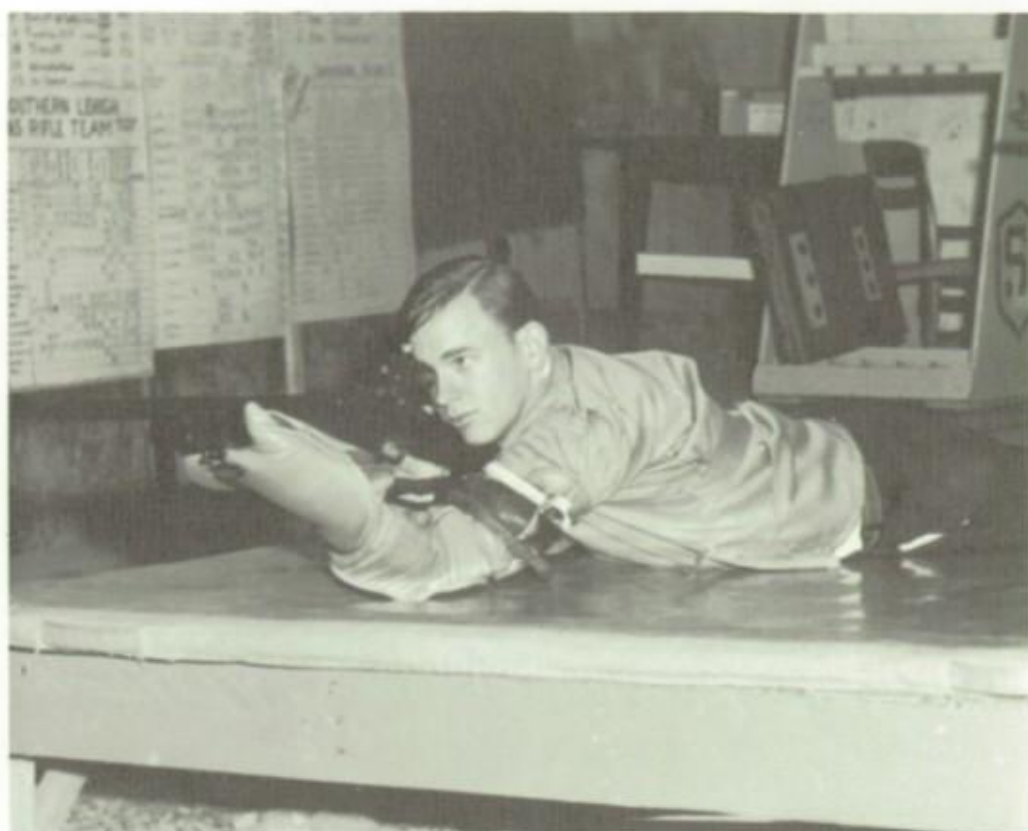

GIRLS BASKETBALL

Because of Coach Sheffy's emphasis on speed, skill, and stamina, the Spartanettes showed improvement throughout the season. Led by high scorer Sally Kinsey and captain Melissa Myers the team enjoyed a successful year.

SENIORS

Coached by Mr. Robert Clark, Solehi's Rifle Team had a winning season in '68. The team was lead by Captain Dave Kepler, who shot in more matches during his four year membership with the team than any other Spartan.

Because many of the players were veterans, the '67 baseball team realized a successful year, 8 wins and 4 losses. Mr. James Snyder's coaching kept the team in the running for the Southern Division championship title until the Mt. Pocono Cardinals stopped them in the second to last game of the season.

GOLF

Despite the brilliant play of Doug Ritter, the '67 golf team suffered an unimpressive season of 4 wins and 8 losses. Doug, who won the District 11 individual championship in a playoff, went on to distinguish himself at the state meet. The team was coached by Mr. James Abbott.

SCHOOL STORE

Through the efforts of Booster Club and advisor Mr. Borst, school spirit has been brought to a peak at Solehi. The bright signs publicizing athletic events throughout the year were the product of many hours of the club's labors. In addition to backing athletic events, the Boosters supported other school functions. They created 2 innovations this year: the basketball card section and a float to represent the school in an area parade.

The Gym Club, supervised by Mr. Spickler, is designed to develop the gymnastic potential of the students who are willing to work. Meeting weekly, the members go through drills on various pieces of equipment. The club is worthwhile for any boy who wishes to improve his coordination and form.

The proficiency of the wrestlers at Southern Lehigh is due partially to the Wrestling Club. Advisor Mr. Bachardy stresses the basic moves which are necessary for a boy to become a good wrestler. The club allows boys with an interest in wrestling to practice during the entire school year rather than just during wrestling season.

With the expert teaching of Mr. Clark, the members of the Rifle Club learn the correct procedure for firing a match rifle, scoring, and taking safety precautions. The club has produced many of the members of the Solehi rifle team.

FOLK CLUB

LIBRARY CLUB

FUTURE NURSES CLUB

The purpose of the Science Club is to introduce students to some fundamental concepts in the physical sciences. This is done by group discussions or basic laboratory work.

Photography Club is open to students from grades 9-12. Its objectives are to develop photography as a hobby and to furnish photographs for the Spotlight and Solehian.

Learning the rudiments of bridge prepares young people for participation in future life. Rules for playing and scoring rubber and duplicate bridge are taught.

Chef's club is made up of boys with a desire to be good cooks. They make and eat their own food with some surprising results.

The monthly school newspaper, the Spotlight, keeps the students of Southern Lehigh well-informed with articles on school events and and new fashion items, controversial issues, and (intelligent) editorials.

Webb publishes poems, short stories, essays, and other literary efforts of Students at Southern Lehigh.

YEARBOOK AND SERVICE

Only those boys who have won varsity letters are eligible to join Varsity Club. Its main concern is the promotion of sports activities at this school.

The Stage Construction Club is responsible for building all stage scenery and special effects for dramatic productions and assemblies.

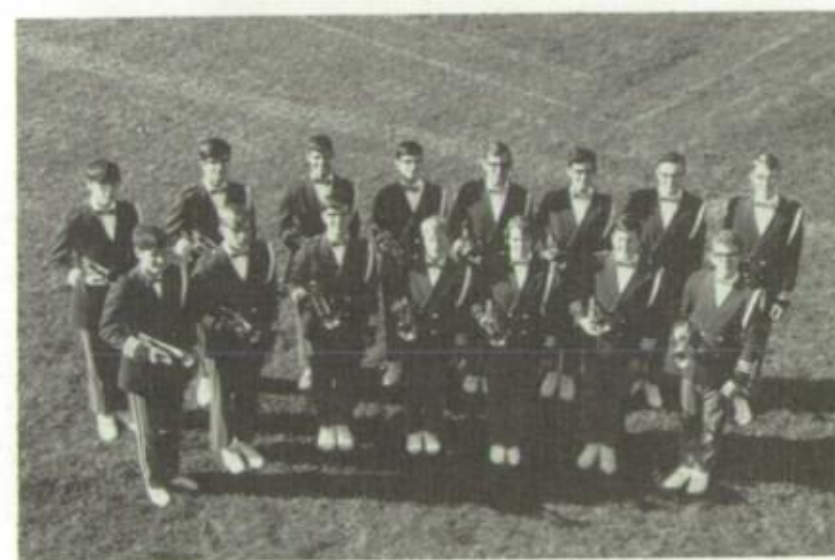

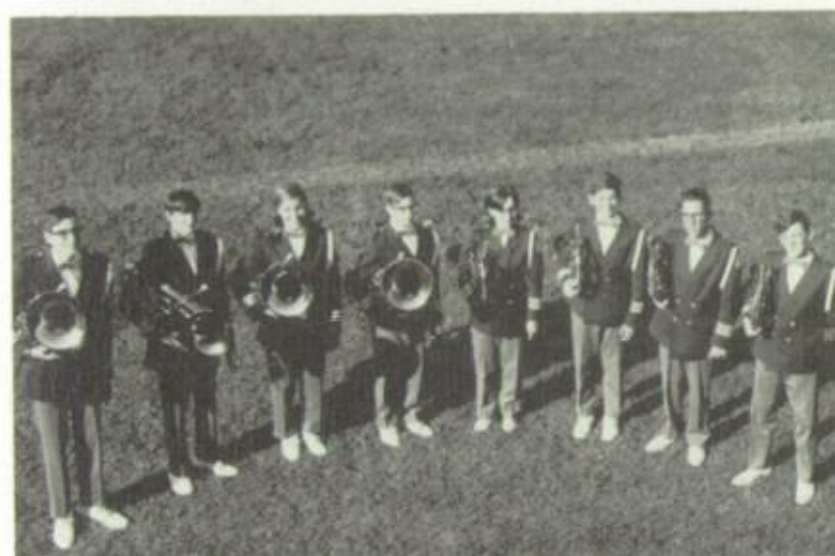

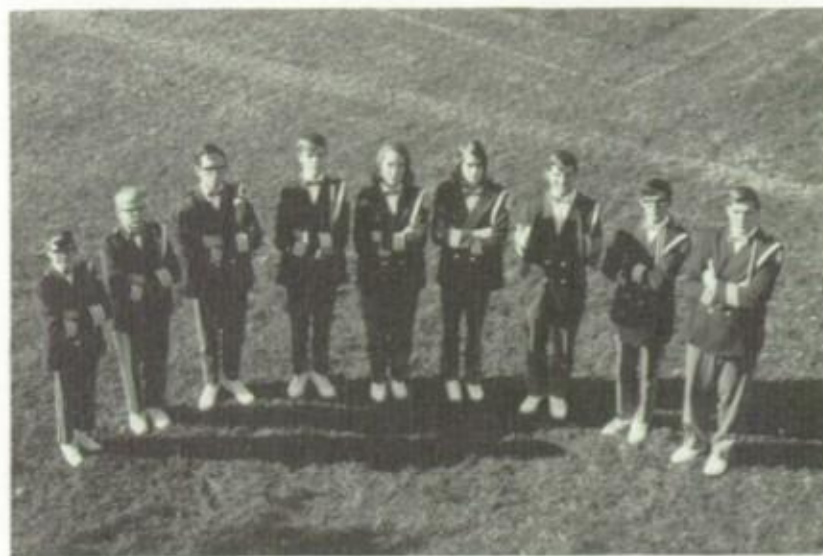

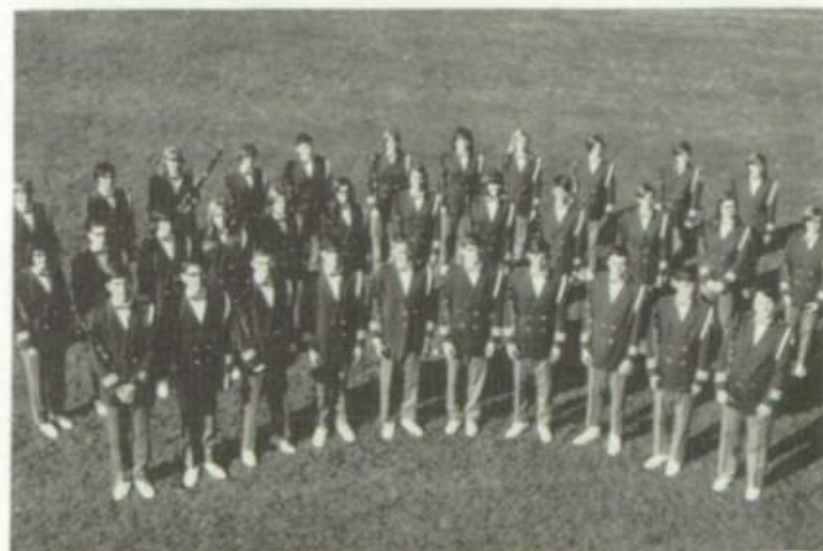

The Archery Club provides an opportunity for interested students to learn and improve fundamental techniques and to compete with each other.

The Print Shop, under the guidance of Mr. Eshleman, is one of the more important clubs at Solehi. Many social functions have been more successful because of the publicity posters and tickets the shop has printed.

HONOR SOCIETY

Membership in the Honor Society is one of the highest honors which a high school student can attain. Members embody the qualities of scholarship, leadership, character, and service.

STUDENT COUNCIL

The purpose of the Student Council is to govern the student body by promoting harmony, and developing leadership. The Student Activist Party has done many things to improve Solehi. There is a greater feeling of involvement by the students this year.

To them it was a time of madly-colored images

bus trips

championships

psychedelic dances

strains of music

lost conversations

the magic of a warm spring night

yesterday's memories

tomorrow's hopes

There were tears in their eyes

as they turned their faces toward the future.

We the '68 Solehian staff wish to thank the following persons:

Mrs. Judith Barsema, Mr. John Burggraf and Mr. Thomas Price for devoting much of their time and talents to the production of the 1968 Solehian.

Mr. Spencer Black, our class advisor, who has given greatly of himself to the class of '68 in our junior and senior years.

Merin Studio of Photography who took our senior portraits and our teacher and student candids.

Mr. Marvin Shupe of the American Yearbook Company.
